...Making the Great Place Greater

OBJECTIVE:

III Corps and Fort Hood, as the premier
Power Projection Platform at the forefront
of Department of Defense (DoD) modernization
and integration, prepares and leads forces in full
spectrum operations while providing unparalleled
facilities, infrastructure, and a community
environment that cares for and supports
Military, Civilians, and Families.

Deployment Readiness Objective:

III Corps Units, Soldiers, Civilians and Families possess a deployable mindset with Soldiers demonstrating a Warrior Ethos where they are determined to win and prepared to deploy anytime and anywhere and the installation is fully prepared to support those deployments.

Training Readiness Objectives

All personnel are trained to execute critical leader, individual, and collective tasks using our world class training facilities and Training Aids Devices
Simulators and Simulations (TADSS) in a live, virtual, and/or constructive integrated environment in preparation for full spectrum operations. We will ensure units and Soldiers are prepared for combat operations.

Leader Development Objective:

Military and Civilian leaders with the capabilities, knowledge, experience, and opportunities to successfully conduct and lead in the environment of Full Spectrum Operations.

Force Well Being Objective:

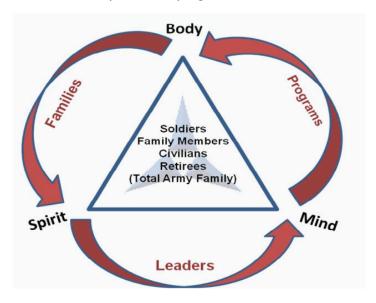

Soldiers, Civilians, and Families, and are confident they are being cared for and their physical, mental, emotional, and spiritual needs met while enjoying events, programs, and services that inspire them to focus on mind, body, and spirit in order to have FUN at the Great Place.

The Fort Hood Resiliency Campus

The Resiliency Campus incorporates a holistic approach with the idea of balancing every aspect of the individual — mind, body, and spirit — to help clients reach individualized and measurable health goals through health education and comprehensive programs.

- Health education/promotion processes to raise individual and community awareness.
- Programs directed toward optimal physical, spiritual, and mental fitness.
- Programs fostering Spiritual awareness and life enrichment.
- Environmental & social programs fostering healthy lifestyles, community actions, and proactive public health policies.
- Leader programs to ensure the wellbeing of our Soldiers, Families, & Civilians.
